

AccessMedicine - comprehensive online medical resource

This training webinar will provide an overview of AccessMedicine with a look at resources for students, clinical trainees, and instructors.

April 28, 2021
2-3 p.m. CEST (Warsaw)

Zoom meeting

In the session, we will explore resources for a variety of users (clinicians, residents, faculty, students), including:

- Key textbooks across medical fields
- Tools for remote learning, including LMS integration
- Cases with real-life patient scenarios
- Multimedia library, including procedural videos
- Self-assessment Q&A
- Drug monographs
- Features and benefits of a MyAccess profile
- User supports, including distance learning resources

PRESENTER: Wesley Holloway, MLS

Wesley Holloway is a librarian with Customer Success at McGraw Hill. He served as a library specialist and health sciences librarian with the University of Tennessee for four years. Wesley earned his MLS from Indiana University and is dedicated to user education. He can be contacted directly at wesley.holloway@mheducation.com.
